Notes

1. The “faceless handicapper” has returned from the wilderness and the official Harlequin Handicaps are shown against your name. His (or maybe Her) decision on all matters is final.
2. Could the captain of each group make sure that the cards are correctly completed for individuals and hand them to Martin Fuggle as soon as possible after completing the round. **Make sure you have one card per player.**
3. Cost for the day is \$60.00 that includes the cost of the BBQ at Roy Capener’s place. **Please DO NOT pay the club but pay Martin Fuggle.**
4. Carts – we have two carts that are allocated as shown above – I am not sure of their cost but will find out on the day.
